Dear Mr. Brownlow:

It is our understanding there may be funds available to assist the Town of Pinetop-Lakeside with our share of the vehicle operations for the Four Seasons Connection Transit System. We would greatly appreciate any consideration you could give us in dispersing those funds for the bus service.

As you know, the Four Seasons Connection is a vital resource for many of our residents, especially those in the lower income brackets. Your assistance in this matter would affect a number of people in need.

Thank you for your consideration.

Sincerely,

Tom Thomas  
Public Works Director
